LOCAL PRIORITY

Every three months, we listen to your concerns and look at recent crime statistics to shape the things we will concentrate on for the next three months.

Our priority(s) for the next quarter is:

Anti-social Behaviour:

Bourne – Aslackby - ASB

If you have any issues and feel they should be considered, please get in touch, and give us some brief details.

WHAT'S BEEN HAPPENING

The opening of the skatepark in Bourne has generated lots of concerns but so far, we have had minimal incidents reported. Parents seem to be attending with their children and youths are mixing well. The area will be monitored carefully in the coming months.

The Bourne Festival was again a great success with only a few incidents which were handled with joint agencies, including St Johns Ambulance, Police and the festival organisers.

PCSO Possnett and Johnson have been out with Trading Standards on "Days of action" targeting Rogue Traders. Lots of information was gathered and lessons learnt by all involved.

FORTHCOMING ENGAGEMENTS

PCSO Possnett & Johnson will continue to engage with the public at events and coffee mornings as much as possible before the reduction in officer numbers late summer.

If you have an event, you would like us to attend, then please contact us with details.

Mini Police is approaching the final topics and then presentations where all Mini Police Officers will receive their rewards. The students involved, not just the Mini's but all year 5 & 6 have worked so hard and always welcomed the Police visits.
