Tender Document

Green Space and Playing Field 2024/25

Folkingham Parish Council are now accepting quotations for the grass cutting of the green spaces in the village and the playing field to cover the period from April 24 to March 25.

This document and maps within it detailing the areas in which the work is to be carried out and the frequency of the work schedule.

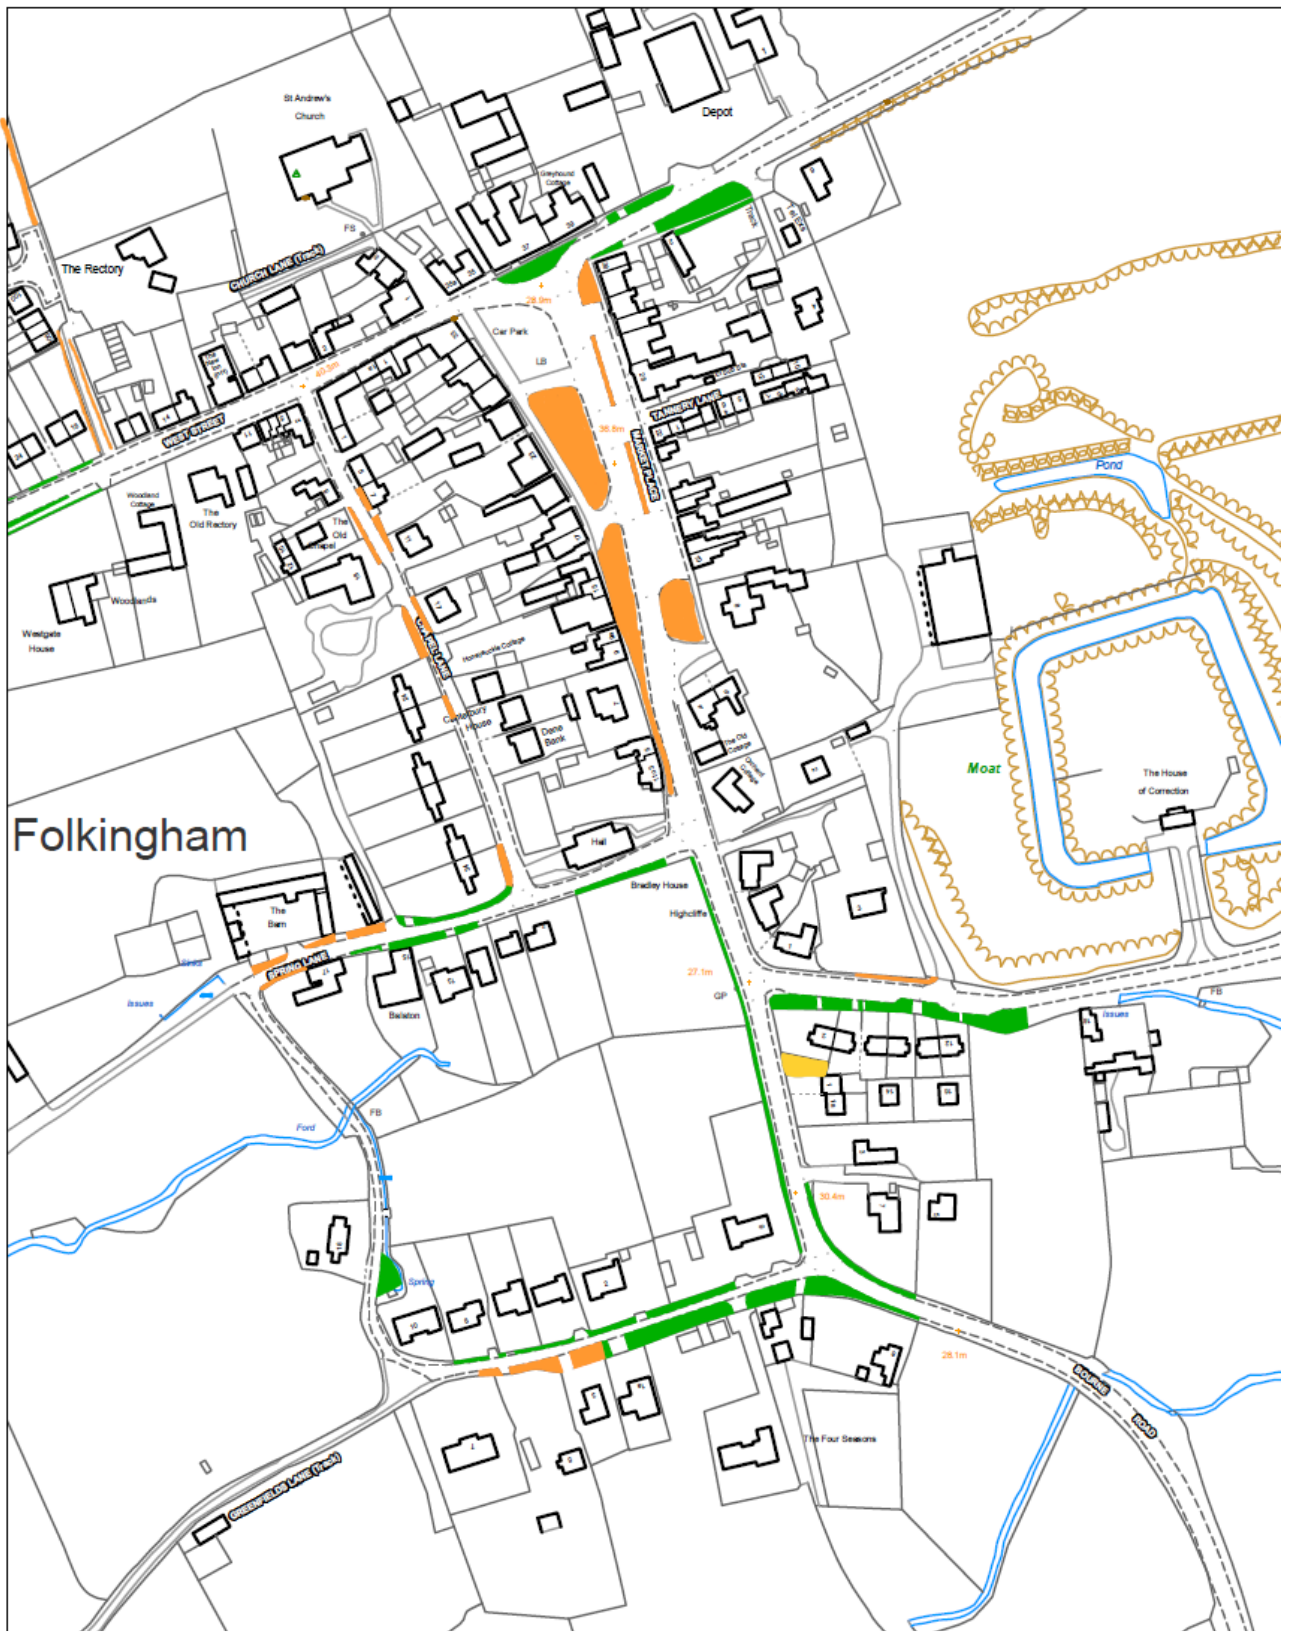

Areas to be quoted for cutting are marked in orange in the maps below. Those marked in yellow, and green are to be disregarded as these are cut by either SKDC or LCC.

Please note this includes mowing the whole playing field area too. If you could break the costs down separating out the playing field mowing (excluding playground area) from the rest of the village. This is because the field requires more regular mowing due to its usage.

We anticipate approximately 16 cuts to the playing field and 10 cuts for the remainder of the village including the play area, however this will be dependent on the weather and growing conditions.

Deadline for all quotations is no later than 12 noon on Friday 28th February 2024. Quotations should be sent directly to the Clerk of Folkingham Parish Council by post or email to the address above. Quotations received after this date will not be accepted.

ALL QUOTATIONS MUST BE MADE IN WRITING.

Folkingham
